Thanks! And to update everyone, Heather and I met with Randy today and we will plan to send this to the federal register tomorrow. Will likely launch the press release at 1pm. Please let me know if there's an issues with that plan. We are rushing this to ensure it's out before the Secretary's trip on Sunday.

My best,

L

I have completed the last cross check with information I have and found one more monument to be reviewed - Craters of the Moon in Idaho, expanded in 2000. The revised list is attached.

As mentioned earlier, now that this list is finalized, it'd be very helpful to have a map of each as we do each
